

Matthew McGlynn

EXPERIENCE DESIGN & CREATIVE TEAM LEADERSHIP

Accomplished creative director, designer, technical lead, and operations specialist with expert design skills in user experience for digital products both web and mobile. Specializing in design for commerce, customer service, identity, security, data privacy, and entertainment. Reliable team leader who efficiently delivers on deadlines by governing streamlined production processes. Mentor with natural ability to coach and develop talent, fostering productive multi-disciplinary collaboration. Experienced client and vendor liaison with diplomatic communication abilities.

Constantly researching emerging technological advancements, trends and techniques to inform innovative design and development strategies. Passionate about leveraging empathy to create memorable experiences which strengthen the relationship between companies and customers.
